Mix Series

ecosmart Fire

Crafted in the outdoor ‘fire pit’ style but with many unique differences, the all-weather Mix Series fire pits will be the centre of attention at every gathering.

Mix Series

Design Features

1. Fluid™ Concrete Finish

Incredibly strong yet relatively lightweight, EcoSmart's concrete products incorporate revolutionary Fluid Concrete Technology. Fluid features a stain and impact-resistant barrier that protects the concrete from environmental weathering – even under extreme conditions and long UV exposure.

Environmentally-Friendly

Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

2. Decorative Media

Models come with black glass charcoal to add the finishing touch. They do not emit any toxic fumes, smoke, or ash.

Surround Colours

Available in three Fluid™ concrete colours: Natural, Graphite and Bone.

Handcrafted Artistry

In a world where speed and automation dominate production, we take a different path. We cherish the irreplaceable qualities of handmade work, which is why each of our concrete tables are crafted by human hands with painstaking attention to detail.

3. Burner Colours

Available with a Stainless Steel or Black Burner.

Versatile & Incredibly Durable

EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

Ground Fixing Brackets

Models come with fixing brackets for permanently locating into a fixed position.

4. Articulating Feet

Our Fire Pits and Tables feature 360° height-adjustable articulating feet, so you can achieve a perfectly level and stable model before operating the fireplace.

Quick & Easy Installation

With no installation or building works required, simply unpack, put into position, and off you go.

Global Compliance

These models comply with existing standards in the USA and Australia. O-TL listed to UL 1370 and ACCC Safety Mandate compliant.

Model not available in all countries.

Mix Series

Accessories

Included

Jerry Can with Safety Spout and e-NRG* bottle adaptor

Jerry Can allows safe storing/ decanting of e-NRG ethanol. The e-NRG adaptor connects the Safety Spout to an e-NRG fuel bottle.

Lighting Rod & Lighter

The Lighting Rod is designed to safely adjust the slider position on the burner. It is also used for the ignition procedure.

AB8 Efficiency Ring

Placed over the internal burner vent, it serves to increase the efficiency of the burner as well as further stabilise the flame.

(Included with Mix 850 only)

Decorative Glass Media

Our decorative Black Glass Charcoal is made from high-quality tempered glass.

Optional

All-Season Cover

Protect your investment with our water-resistant custom outdoor cover, featuring PVC cones to prevent water pooling and fit models with a Glass Fire Screen.

AB8 Silicone Burner Cover

Placed over the burner, the black silicone burner cover protects the burner from the elements when not in use.

*e-NRG not available in all countries.

Mix 600

ecosmart Fire

Specifications

ESF.O.MX6

Product Dimensions

L 600 mm [23.6 in]
W 600 mm [23.6 in]
H 229 mm [9 in]

Weight (approx)

23.4 kg [51.6 lb]
Weight includes burner and media.

Product Materials

Fluid™ Concrete Surround; Grade 304 Stainless Steel (Optional Black Ceramic Coating) Burner.

Surround Colours

Painted Fluid Concrete:
Natural, Graphite or Bone

Ethanol Burner Colours

Available in:
Stainless Steel or Black

Burner Ventilation and Efficiency*

Fuel Type	Compatible Burner	Fuel Capacity	Heats on Average (Indoors)	Thermal Output Net (MAX per burner)	Approx. Burn Time	Minimum Room Size	Application
e-NRG Bioethanol **e-NRG.com**	AB3	2.5 L [0.7 Gals]	Over 20 m^2 [215 ft^2]	6.14 MJ/h, 5,800 BTU/h, 1.7 kW	8 - 11 hours	40 m^3 [1,413 ft^3]	Outdoor

*These values are indicative only and may vary depending on the model purchased, installation, and the seasonal resource used to manufacture e-NRG.

This model comes with fixing brackets for permanently locating into a fixed position.

This model complies with existing standards in the USA and Australia. O-TL listed to UL 1370 and ACCC Safety Mandate compliant.
